

Admissions Policy 2021 - 2022

Brentside High School will be participating in the Ealing Coordinated Admissions Scheme. Late applications will also be processed by the Local Authority. The Governing Body will ensure that the number of students admitted in each year group will not inhibit the education of students at the school nor adversely affect the health, safety and security of students or staff.

Planned Admission Limit (or agreed admission number) for the year group is 288.

Students will be admitted to the school according to the order of priority in the oversubscription criteria detailed below.

Over subscription criteria:

1. Looked After Children and previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children means such children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.
2. Children with an older brother or sister attending the school at the time of application who will be at the school in September 2021. Proof of date of birth of the applicant and his/her brother/sister must be provided to show this entitlement. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent / carer's partner, and in every case, the child should be living in the same family unit at the same address.
3. Children with a parent who has been employed by Brentside High School for a minimum of two years before date of application or who has been recruited to meet a particular skills shortage.
4. Proximity of the child's home* to the school measured as a straight line. Proof of address will be required. The distance from the child's home to Brentside High School is measured by straight line from the front door of the child's home to the nearest gated entrance which is used by pupils to enter the school grounds. The measuring system is an integral part of the admissions software produced by Tribal Technology Ltd. It uses Ordnance Survey maps and is accurate to 1 metre. In the case of multi occupancy buildings e.g. flats,

priority will be given to the applicants whose door number is lowest numerically and/or alphabetically, e.g. 11B takes priority over 12A.

5. If two or more students have equal priority under the criteria random allocation will be used.

* Home is defined as the abode where the child spends the majority of their weekdays during term time.

Waiting Lists:

If it is not possible to offer a place to a child immediately, parents can ask for their child's name to be placed on a waiting list. The criteria for admission will be used to determine the position on the waiting list. The waiting list for Year 7 places in 2021 will be maintained until 01/01/2022. Waiting lists for other year groups will be cleared at the end of each term.

Learning and Achieving Together

Admission to Year 12:

Sixth Form places are available for students who fulfil the individual requirement for each subject of the proposed course as set out in the prospectus. Admission to Sixth Form does not guarantee that students will be able to undertake any course of study for which they have expressed a preference.

180 places are available for students who have attended Brentside High School in the previous academic year providing that they meet the requirements set out in the prospectus.

In addition, Governors will admit 40 students from other schools providing that they meet the requirements set out in the prospectus.
