

Sixth Form Successes 2024

We are delighted to **congratulate Brentside High School's Year 13 students on their excellent examination results.**

Achievement is strong across both A Levels and the vocational BTEC qualifications. As illustrations of this, 21% of all A Level grades were A*/A and half of all grades were A*-B. In the vocational courses, 68% of all grades were Distinction*/Distinction and 93% Distinction*-Merit. An impressive 76% of Brentside students achieved at least one of these top grades.

Julia Bosher, Head of Sixth Form, said *"I am very proud of our Year 13 students for the very pleasing results they have achieved in their A/AS levels and BTEC courses. I wish every one of them great success in whatever path they choose for their future and look forward to hearing from them in the years to come."*

Hider Mahdi, Assistant Headteacher, said *"A day of celebration! Our students have fully embraced their journey through Sixth Form, engaging in a wide range of extracurricular opportunities to maximise their achievements and prepare for future success. Today marks the end of seven years of study and whilst results are a key part of recognising that, they cannot capture everything that our students have achieved and become over that seven-year journey. We are proud of you ALL. Thank you also to the families and staff who have guided and supported. Well done to our Class of 2024.
